

Holland Steelheaders

Summer League 2017

The Holland Steelheaders Tuesday Night Summer League. It will start May 23th and end September 5th. We will be fishing every week, as the weather allows. Participant's top 7 scores throughout the course of the summer will be used to determine the league champs. It will be \$100 per boat and a \$20 Big Fish pot will be optional. 100% of the entry fees will be paid out with prizes at the end of the season, including the Big Fish. At least one current Michigan Steelheader must be on-board during each week of fishing.

Fishing period starts at 6:00 pm, there is no run time. Boats must stay in a respective distance of the pier heads before the announcement of 6:00 pm fish time. Boats can only depart from Holland. Boats need to be in line at the weigh-in by 10:30 pm; starting in August boats will need to be in the weigh-in line by 9:45 pm. Weigh-in will be at the fish cleaning station at the DNR over flow lot.

Tournament control is channel 68. Weather will be watched throughout the day and will be announced by 4:00 pm if conditions are unsafe to fish. The way we determine if it is fishable will be under 2.5 footers on the Port Sheldon Buoy by 4:00 pm. Anything over 2.5 footers, we will not be fishing Lake Michigan but optional All Species in Lake Macatawa. Tournament control will call captains on phone by 4:00 pm if not fishing.

All fish must be legally caught and DNR possessions and size limits apply. There is a 9 rod limit. The fish limit is a catch 15, weigh 5; have your 5 fish ready at the scale. The scoring system is ten points per fish and one point per pound as a combined total of 7 weeks. New scoring for 2016, you may weigh 5 Lake Trout, but will only get 10 points for 3 of them and you will get the weight for all 5.

Please note, this is a fun league and we rely on your honesty. Any violations of the rules and subsequent penalties will be determined by the Holland Steelheaders board members.
